Welcome!

We have prepared this document to assist you, as an incoming Study Abroad and Exchange Student, with finding & selecting what we call 'units' (you may know these as individual courses/modules/classes/papers) to study here at Murdoch.

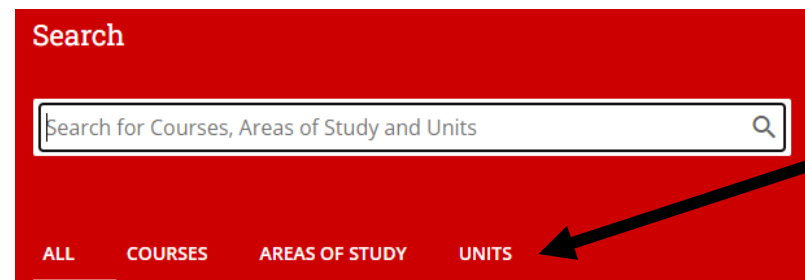

If you have any questions, please contact us on
studyabroad@murdoch.edu.au

Let's get started

- To find units (courses/modules/papers/classes) available at Murdoch, visit our online Handbook: <http://handbook.murdoch.edu.au>

- In *Advanced search*, click units

What units can I take

- Murdoch University has no requirement that you take units which correspond to your field of study at your home university, nor does Murdoch have any requirement that you must take all of your units from one course of study. Some restrictions and quotas do apply in the fields of Media, Veterinary Science, Psychology and Chiropractic Science, and for all units, you **must** meet any individual pre-requisites
- If you are searching for a unit which corresponds to a requirement at your home university, you can try to search for similar keywords using the **Search** field. For example, if you are a business student and looking for an accounting related unit, you can type in part of the word, e.g. “**market**”. This will bring up all the units which have “marketing” in their title. Note: there may be other units which are related to marketing, but not have the “marketing” in their title.

Search for a unit and filter

- There are many options on this page for you to filter your unit search
- You may want to choose an owning College and Discipline, keeping in mind that you can choose across all Colleges and Disciplines
- Choose **location** Murdoch, which is our Perth campus
- Make sure you filter by the correct **teaching period**
 - Semester 1 = S1, February - June (your spring)
 - Semester 2 = S2, July - November (your fall)
- Choose **attendance mode** internal; this will filter out all classes that are online-only classes, known as external units at Murdoch
- The **year** will be defaulted (e.g. 2022 unit structure)

The screenshot shows a search and filter interface with three main filter sections: Location, Attendance Mode, and Year. Below these are two semester selection buttons. An arrow points from the text 'Owning College' and 'Owning Discipline' to the top right of the filter area.
