DAY.

Welcome to Murdoch University!

We hope you didn't have any trouble getting on the right bus or finding the perfect parking spot – it can be a little tricky if it's your first time.

We are so excited to have you here with us on campus, because this day is all about you! We've got a jam-packed day lined up for you, with opportunities to learn about all the different areas you could choose to study in, the nitty gritty details of how to get into uni and everything in between.

It's going to be a big day of information, and maybe even a little bit overwhelming. Believe us, we've been through it all before. But if you ever need a hand or some guidance, our team is here to help.

Remember to drink plenty of water, soak up every experience that you can and ask all the questions (even the ones you think are silly).

This is a place where you can feel at home, and we hope you feel it too.

Have the best Open Day ever, we hope to see you again really soon!

Make the most of your **OPEN DAY.**

Your journey to a brighter future is unique. Get to know our campus through these four steps designed to help you explore study options, campus life, and everything in between.

STEP
1

Start at the **Welcome Tunnel**

(MAP REFS F7)

in Middle Bush Court to collect your welcome bag and chat with our friendly team, who can help you plan your day based on your interests.

STEP
2

Visit the **Information Domes**

(MAP REFS H6)

for advice on admissions, pathways, scholarships, support services, and uni life.

STEP
3

Head to **Boola Katitjin**

(MAP REFS K8)

to meet academics and students, learn about courses and careers, and take part in hands-on activities and tours.

STEP
4

Explore the **Community Zone**

(MAP REFS D6)

to enjoy entertainment, activities, and experiences with our clubs, partners, and wider community.

We're all here to help!

If you need help finding your way around or have a question, ask one of our friendly staff.

Access **FREE WiFi**

Murdoch_Open_Day

Student Hub

Hungry?

Enjoy food and drinks from a wide range of vendors catering to all tastes in both the Student Hub opposite Bush Court, Boola Katitjin and Food Trucks.

OPEN to starting your journey DAY.

Get all your questions answered about courses, entry pathways, and uni life at the Information Domes on Bush Court. Chat with friendly staff and students to explore your study options, facilities, and see what uni life is really like.

Student Experience

Campus Living Village

Learn about on-campus accommodation and what Village life is really like, including facilities, support services, and the student community experience.

Study Abroad

Chat to our team about overseas study opportunities and global experiences.

Murdoch Active

The home of a wide range of sport and recreation facilities, group fitness classes, competitive and social sports programs, and WA's only university E-Sports Hub.

The Guild

Find out how to get involved in student clubs, events, representation, and campus life beyond the classroom.

Equity and Inclusion

Learn about initiatives across our campuses, degrees, and communities—and how your voice can be heard.

Sustainability

Discover how Murdoch puts sustainability at the heart of education for a changing world.

Childcare Centre

Meet our team to learn about our services for your young ones while you study. Tours are available at 11am, 12pm, and 1pm.

OPEN to fun, connection and campus life **DAY.**

(MAP REFS D6)

Our Murdoch Community Zone brings together the people, activities, and experiences that make our university more than just a place to study. Through interactive, hands-on activities, you'll see how clubs, partners, and campus life help you feel connected and part of our community.

Murdoch Cheer and Dance Club

E-Sports Zone

Step into a high-energy, interactive space showcasing our **Gaming Hub: the only university facility of its kind in WA.**

- Enjoy simulation racing.
- Nintendo Switch battles.
- Creative digital activities.
- Discover how our Games Art & Design, Games Technology, and Creative Media courses connect study with play.

Tech Zone

Explore innovation in action at the **Tech Arena, where our engineering, technology, and electronics disciplines come to life.**

See interactive demonstrations in robotics and next generation energy technologies, and explore how students learn through hands-on projects that solve real-world problems.

Sports Zone

Learn about our strong sporting culture and community connections through our partnerships with local and elite sporting organisations.

Our community sporting teams and clubs including Murdoch Volleyball Club, Melville City Hockey Club and WA Cricket will be onsite with a range of hands-on activities.

Community Experiences

Keen to get a feel for our diverse and interactive community spaces through cultural, scientific, and environmental activities? Be sure to check out:

- Clubs and Societies.
- Japanese cultural activities including traditional tea service and origami crane folding.
- Indonesian engagement activities featuring batik art.
- Sustainability and greening activities exploring solar radiation, temperature, and the impact of planting trees on our environment.
- Get hands-on with the School of Environmental and Conservation Sciences for interactive activities, real specimens, and insights into marine, wetlands, and terrestrial ecology.

The Den

Join in with some craft activities (MAP REFS G4).

Join us at 'The Den', near the Winter Garden and explore the range of services and activities we offer to help our students connect with each other and relax.

The Den

Your library

More than just books, the Library is where our community learns, explores, and connects (MAP REFS I6).

- Come view our study spaces, collections, activities and pat our friendly library dogs from 11am-12pm.
- Our students can also access academic support through Peer Academic Coaches (PAC) and Peer Assisted Study Sessions (PASS).

Library

E-Sports Gaming Hub

Community Gardens

Japanese Cultural Activities

Simulation Racing

Kendo Club

Quiet and Low Sensory Zones

Looking for a calm space to rest and recharge on Open Day? Our quiet zones at 360.3.007 (MAP REF K8) and Library Level 3 (MAP REF I6) offer dim lighting and minimal noise. The Sensory Room at 460.1.014 (MAP REF J5) will also be available.

OPEN to planning your future DAY.

(MAP REFS K8)

Chat with academics and students and get advice on which course could be best for you. There will also be fun course demonstrations, guided tours and activities to give you a taste of what it's really like to study at Murdoch University.

How to apply

Are you ready to kick-start your exciting new journey at Murdoch University?
Applying to study is easy as 1, 2, 3.

1

Choose

Choose the course you would like to study. Explore all of our courses at murdoch.edu.au/study

If you're a high school leaver, don't forget to take note of the TISC code and course code - you will need one of these codes for your application.

2

Check

Check the entry requirements for your course and find out if you're eligible for direct entry.

Find out the entry requirements for your course at murdoch.edu.au/study

Find out about Murdoch University admission pathways at murdoch.edu.au/admissionpathways

3

Apply

High School Leavers

Applying for Semester 1

commencing in February

Apply at tisc.edu.au

Check out the TISC website for information on application dates and deadlines.

Applying for Semester 2

commencing in July

Apply at myadmission.murdoch.edu.au

For most courses, applications close the Thursday before the teaching period commences.

Non-High School Leavers*

Applying for Semester 1
commencing in February

or Applying for Semester 2
commencing in July

Apply at myadmission.murdoch.edu.au

For most courses, applications close the Friday before the teaching period commences.

**Some courses may require applications through TISC, and have earlier closing dates. Check the website for details.*
