

Murdoch University – 25% TNE Transfer Scholarship

Terms and Conditions

By accepting the offered Murdoch University – 25% TNE Transfer (**Scholarship**) as part of your transfer to one of Murdoch University's Western Australian campuses (**Local Campus**), you agree to the following conditions.

1. Your scholarship is worth a 25% reduction of the total tuition cost to cover all the remaining semesters of study at the Local Campus following your transfer (but applies only to completion of your current course studies and will not extend to any further or additional course you may wish to enrol in). The Scholarship is automatically deducted from the course tuition fee each enrolled teaching period.
2. The Scholarship directly reduces your Murdoch tuition fees but does not cover any other student expenses. There is no financial payout for the Scholarship, and it is not refundable.
3. The Scholarship will not apply to tuition costs:
 - (a) for Murdoch units delivered through Open Universities Australia or FutureLearn; or
 - (b) in respect of cross-institutional enrolment units completed with another university or at a Murdoch campus outside Western Australia.
4. This Scholarship is only valid for enrolment into Murdoch's bachelor, graduate certificate, graduate diploma, and masters by coursework degrees available to international students and delivered at a Local Campus (excluding the Bachelor of Science (BSc) in Veterinary Biology, Doctor of Veterinary Medicine (DVM), and Master of Clinical Psychology).
5. If you do not maintain satisfactory academic progress (as defined in Murdoch's Academic Monitoring and Progression Policy or any other policy that substantively replaces it) for any teaching period, Murdoch reserves the right to withdraw the scholarship.
6. Your Scholarship will be revoked if you:
 - (a) cease to be an international student, paying international student tuition;
 - (b) receive an Australian government scholarship that covers all or part of your tuition fees; or
 - (c) are sponsored by a non-Australian Government funding body, under an agreement or arrangement that the funding body has with Murdoch.
7. The Scholarship does not include any English Language or pre-degree enrolment.
8. Your Scholarship may be revoked if you:

21 May 2025

- (a) defer the start of your studies at the Local Campus beyond 2027; or
 - (b) cease to be enrolled in a course that meets the eligibility criteria of the Scholarship.
9. The usual study load for one teaching period is 12 credit points. The Student Success team can grant an approved reduced study load if required, which will not affect your Scholarship.
 10. You will be ineligible to apply for or to receive any other Murdoch scholarship while you are in receipt of the 25% TNE Transfer Scholarship.
 11. Your Scholarship cannot be transferred to a Murdoch campus or partner outside Western Australia, or to another university.

Should you have any queries about these Terms and Conditions, please do not hesitate to contact us at international.operations@murdoch.edu.au
